CANDOR

WELCOME

Candor Homes is the Hunter region's transparent custom home builder. We welcome customisation, and our difference lies in quality, trust and clarity. Every home we create is thoughtful, personal and premium, designed to reflect your lifestyle.

Our adaptable inclusions and flexible floorplans ensure your home fits your needs perfectly, while clear pricing, timelines and communication make the building process stress-free. Our personal, local, and dedicated team manages your home end-to-end, delivering service with attention to detail and craftsmanship you can trust.

CUSTOM

Your home should reflect how you live.

At Candor, custom means flexibility without the fuss. Start with one of our floorplans and tailor it, or design something entirely your own. We don't charge for plan changes, because personalising your home shouldn't feel like an upgrade. It's about creating a home that suits your lifestyle, your land and your future.

QUALITY

Value and quality are built in from the start.

We go beyond the basics, using trusted materials, thoughtful design and skilled trades to craft homes that last. Value-packed as standard, our homes focus on the details that matter, from structure to finish. Every step is carefully managed, ensuring a home that looks exceptional and stands the test of time.

TRANSPARENCY

No hidden costs. No surprises.

We believe you should know exactly what you're getting from day one, with clear pricing, upfront inclusions, and open communication throughout your build. Our homes come complete and move-in ready as standard, so you can build with confidence.
