CANDOR *Homes*

MADE FOR YOU

Candor Homes has thought of all the little and big things that make a home work, so you don't have to. Simply choose the design that suits you and your block, take advantage of our cost-free customisation and start imagining life in your new home.

CUSTOMISATION

Choose a plan you love and personalise it at no extra cost, or chat with us about your unique design ideas. Every Candor home is thoughtfully tailored to suit your lifestyle, creating a home that is truly yours.

UNSURE?

We're here to help you find a home that suits your block, your lifestyle and the way you want to live, your perfect match. Whether you're starting fresh or exploring your options, we're here to help.

PRACTICAL

Every Candor home is planned with everyday living in mind. From clever storage solutions and mudrooms for drop zones, to wide hallways, generous doorways and smart layouts, functionality is built in from the start. Optimised natural light ensures spaces feel easy and comfortable to live in.

FLEXIBILITY

Timeless design meets adaptability. Our homes are beautifully considered and easily tailored to suit your lifestyle, with flexible spaces that can evolve from a home office to a guest room or hobby area. Layouts and finishes can be personalised, so your home reflects your taste and needs.

FUTURE-READY

Designed to support your family now and into the future. Thoughtful zoning, adaptable living spaces, ample storage and larger garages provide the flexibility to grow, change and settle in comfortably over time.

FLOW

Open plan living areas connect seamlessly to outdoor spaces, creating a natural rhythm for daily life. Bedrooms are thoughtfully zoned, while studies and quiet spaces are tucked neatly from busy living areas.

LIFESTYLE

Our homes are designed around the way Australians live. Separate living zones and versatile rooms support entertaining, relaxing, studying or unwinding. Welcoming entry foyers balance style and practicality, making coming home a pleasure.

LOCAL LIVING

With deep local knowledge, we design homes to suit every type of block in the region. North facing living areas capture winter sun, while smart shading helps keep homes cool in summer. With a love of outdoor living, our designs make the most of backyards and open spaces.
