HOME DESIGN

Designed for narrower blocks, this home separates entertaining downstairs from private family spaces upstairs. Open-plan living flows to an expansive alfresco with an outdoor kitchen, while a separate media room offers flexibility. Upstairs, a central retreat and four bedrooms provide space for everyone to relax and unwind.

ORGANIC COASTAL

Sandy tones, light oak, brushed bronze and handcrafted finishes create a relaxed coastal feel. Sculptural lighting, curved details and a statement stone fireplace add warmth and character, blending understated luxury with relaxed Australian living.
